FOREWORD

Dear Friends,

With great pleasure and enthusiasm, we put forth before you our Annual Report of 2019-20.

ADWAA has been serving the distressed and neglected people of the society in the regions of its work, since the time of its inception.

ADWAA is committed to work on issues like health, education, women empowerment and so on. It has also a vision of widening the domain of its work regarding Environment, Plantation, Vocational training, Health, Consumer awareness and women empowerment.

All the achievements of ADWAA, till now have been possible with our assistance and cooperation. Whatever remains to be done can only be achieved by our valuable assistance and cooperation.

Our heartfelt thanks and gratitude go to you all.

Yours solidarity

ADWAA TEAM

ADWAA

Introduction

ADWAA, a non-profit organization, has been working in Jharkhand. The organization especially works in the scheduled areas of Jharkhand in the following district:

District	Block	Name of Panchayats	No. of Villages
Dumka and Pakur	Ramgrah	Paharpur,Kanjo,Bariranbahiyar,Bhalsumar,Boria	22
	Dumka	Haripur, Rajbandh	04
	Hiranpur	Babupur	02

(Activities of 2019-20)

1.Mission for Integrated Development of Horticulture(MIDH)

Agriculture is the main occupation of more than 60 percent of the people in Jharkhand. ADWAA, during 2019-20, took up a project to promote the holistic development of horticulture sector in the area with the help of MIDH(Mission for Integrated Development of Horticulture). A number of activities like capacity building, technical support etc were undertaken for the promotion of cultivation of following vegetables and fruits under this particular project,The organisation has motivated the villagers and prepared three samity to establish fruit bearing orchards of the following plants through samity and the orchards of 2016-17 were maintained by replacing dried and dead plants :

Sl.No.	District	Nature	Name of Component	Area(Hactare)

	Dumka	Flower	Cut flower,kand flower,loose flower	21
6	Dumka	Vegetable Seeds	Ananas	15

2.Agriculture Development

a. Awareness to cultivate in Parti Bhumi:

The organization has organized the awareness programme to cultivate in partibhumi in Ramgrah&Dumka block of Dumka District.

b. Awareness and Training on SRI Technique of Paddy crop:

In order to increase the yield of rice, farmers in the selected blocks of Dumka district were given training on System of Rice Intensification. The farmers were awared to adopt SRI system in 35 acre area of the farmers.

The SRI training was rendered with full support from beneficiaries as well as the allies.

c. Demonstration of cereals (Pigeon pea/Arhar , Urad , Mung) , Pea , Gram in Hiranpur Block of Pakur District .

During the year 2019-2020, a demonstration program was organized in Piyarsola village in Hiranpur block in Pakur district of Jharkhand.

d. Adoption of Organic farming

We do understand the importance of conserving the biodiversity. Over the past few years, excessive use of fertilizers has created havoc upon the ecology and food security.

In order to mitigate all such risks, we at ADWAA, keep organizing awareness as well as capacity building campaigns where farmers belonging to marginalized categories are provided training on organic farming. In all, 20 villages in 4 panchayats were covered.

e. Education Awareness

In the villages Paharpur, Mohanpur, Sinduria, Ghordor, Tal and Pindari, awareness programme on Education was organised was organized. The stress was given on girls education and livelihood generation programmes.

f. Drug de addiction awareness Programme -

Now a days the addiction of drug has become the root cause of poverty. But if the house wives takes the strong decision to come up from this, they can do easily. Women were aware about, how to come up of this curse. In connection with this awareness programme was organised in tribal villages of Paharpur panchayat of Ramgrah Block in Dumka District.

3. Awareness on Safe Drinking Water and Sanitation

India has more mobile phones than the toilets. The unrealistic approach embraced by the people and policy makers has hampered rural sanitation programme in many ways. In order to do away with such problems, ADWAA has acted as a proactive agent for promoting Safe Drinking Water and sanitation among rural people. The organization is engaged in awareness of swachhta programme. The organization has organized awareness programme in the village Paharpur and Sinduria of Ramgrah block in Dumka District in Jharkhand.

4. Earth Day Celebration 2019:

The organization has organized the Earth Day Celebration 2019 in Bal Vidya Mandir, Karbindha, Dumka. A debate competition was organized between school children. There was an awareness programme also. In the debate altogether 110 Participants took part. Out of them 18 participants were given prizes. The Topic of the debate was :-“ Deforestation & Aforestation and their Significance” under the theme “*Protect Our Species*”.

5. Drug Deadiction Awareness Programme

This year the organization has organized the Drug Deadiction awareness programme in Sinduria village of Ramgrah block in Dumka district in Jharkhand.

6. Environment Awareness

During the year 2019-20, one awareness campaign for environment conservations was held in Paharpur village in Dumka district. 30 members participated in campaign programme. The Awareness campaign was organized at the community level. Due to deforestation, the environment degradation has increased. The campaign spread awareness on tree plantation and its significance, waste management, safe disposal of garbage etc.

7. Yoga Awareness programme

As a part of wider health campaign, one yoga awareness Programme was organized in Ramgrah block in Dumka district on the occasion of yoga day. All together 70 members of the community actively participated in it.

8. Road Safty Awareness programme

Now a days the average people are unaware about the rule of road safty. They donot know what are the main trequirement while driving. What should we keep with us while driving.In connection with this we organized awareness regarding the different rules about road safty. To meet this awareness a positive effort has been adopted by organizing two camps in Dumka district.

S.N.	Dist	Block	Camp	Participants
1	Dumka	Ramgrah / Dumka	2	65

9.Women Awareness programme

An awareness programme on digital transaction and the different schemes of government has been organized in Ramgrah block in Dumka district ..All together 30 members of the community actively participated in it.

10.Women Awareness programme against Violence

Now a days so many violances are committed on women. But the women are dumb to speak any thing against violence. Because they donot know the rights of a women ,the strength of a women. Beacue they are rural innocent women. The need awareness. Viewing this our organization organized an awareness Programme in Ramgrah block in Dumka district.All together 60 members of the Tribal community actively participated in it.

11. Awareness programme on consumable water

As a part of wider health campaign, we know that pure drinking water is needed because we know that a number of water born diseases are cause due to impure water. We should take pure drinking water to avoid fatal diseases. Viewing this we organized an awareness programmergarding consumable water in Ramgrah block in Dumka district.All together 44 members of the community actively participated in it.

12.Seminar on Agro Advisories to Farmers:

The organization has organized a seminar on Agro Advisories to Farmers in Agro Techno Park at Dumka.The BTM Gopikandar Mr. Awadhesh Kumar advised the farmers about the different varieties of crops. He also advised how to come up from pests and diseases. On the other hand Suhila Tudu

,BTM.Dumka advised the farmers about Horticulture.Scientists of Zonal Research Station Dumka advised the farmers about moders technologies of farmings. Altogether 100 Participants took part.
